# Valleystream Pickleball Club (VPC or Club) Coaching Policy

## July 2026

All paid coaching, lessons, or instruction provided on Valleystream Pickleball courts must be delivered by a coach who has been formally authorized by the club, namely Jeff Elwood, Matthew Kawamoto, Paul Leck and Ravi Prakash.

If a member provides instruction for compensation without authorization, or if a member pays an unauthorized individual for instruction on club courts, both the coach and the student may have their club membership suspended, at the discretion of the VPC board.

Repeated violations may result in longer suspension or termination of membership.
